**JULY GIGS:** No gigs are scheduled this month. It's too hot, and we are still busy working on new material.

Keep checking the website, at [www.kcbluesband.com](http://www.kcbluesband.com). You never know where we might show up! Look forward to seeing you at the shows!

### Joke Of The Month:

Janet and her husband Tom went for marriage counseling after 25 years of marriage.

When asked what the problem was, Janet went into a passionate, painful tirade listing every problem they had ever had in the 25 years they had been married.

She went on and on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable, an entire laundry list of unmet needs she had endured over the course of their marriage.

Finally, after allowing this to go on for a sufficient length of time, the therapist asked Janet to stand up. He walked around the desk and he embraced her, and kissed her passionately as her husband Tom watched with a raised eyebrow.

Janet shut up, and quietly sat down as though in a daze. The therapist turned to Tom and said, “This is what your wife needs at least three times a week. Can you do this?”

Tom thought for a moment and replied, “Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I’ve got golf.”

### Quote Of The Month:

(Can you remember the name of this movie from 1993? The answer is at the bottom of this news letter.)

**Sonny**: Alright, listen to me. You pull up right where she lives, right? Before you get outta the car, you lock both doors. Then, get outta the car, you walk over to her. You bring her over to the car. Dig out the key, put it in the lock and open the door for her. Then you let her get in. Then you close the door. Then you walk around the back of the car and look through the rear window. If she doesn't reach over and lift up that button so that you can get in, dump her.

**Calogero 'C' Anello**: Just like that?

**Sonny**: Listen to me, kid. If she doesn't reach over and lift up that button so that you can get in, that means she's a selfish broad and all you're seeing is the tip of the iceberg. You dump her and you dump her fast.
