JOKE OF THE MONTH:

Elwood Blues and Jake Blues have a fight over the police car Elwood Blues got after he traded away the original blues mobile for a microphone.

Elwood: You don't like it?

Jake: No I don't like it...

Elwood Blues floors the pedal and jumps over an open drawbridge.

Jake: Car's got a lot of pickup.

Elwood: It's got a cop motor, a 440 cubic inch plant, it's got cop tires, cop suspensions, cop shocks. It's a model made before catalytic converters so it'll run good on regular gas. What do you say, is it the new blues mobile or what?

A brief thinking pause while Jake attempts to light a cigarette.

Jake: Fix the cigarette lighter.

Son, someday you will make a girl very happy, for a short period of time. Then she'll leave you and be with new men who are ten times better than you could ever hope to be. These men are called musicians.

Alice Cooper's Solid Rock (A NOTE FROM ALICE - July 2008)

Dear Solid Rockers,

Planes, trains, boats, and busses. Getting from point A to point B in Europe is hard. The concerts are the easy part. The summer festivals in Europe have been great. The audiences are amazing. It seems strange going onstage at Midnight. Since we are sometimes so far north of the Arctic Circle, the sun doesn't set until 11:00 PM! I'm looking forward to returning home at the end of July. I'll begin the United States and the Canadian leg of the tour in August.

Solid Rock is getting closer to breaking ground for THE ROCK. When the teen center is completed, just watch the impact it will have on Phoenix. I look forward to teaching some classes there. Things are starting to happen at a fast pace. Stay tuned for details as they roll in.

Have a great summer.
